God's Support of Health Care Professionals + First Responders

Childcare Solution for Doctor's Office

A new doctor joined the health care strategic team in September. He shared with the team that his practice desperately needed childcare, along with many other health care professionals. The team prayed together.

The following month he began the health care team meeting with this testimony: The day after they prayed together, God provided the perfect childcare solution for their practice!

Five New Officers Hired by Springfield Police

We consistently pray for God to lead the hiring process of new officers with noble character. The Springfield Police Chief is thankful to report that even in the midst of national and local turmoil, they hired five new officers last month!

God's Protection

In October, officers responded to a call in Elmira. Shortly after they arrived, the suspect began shooting at them at close range. The officers safely evacuated three civilians, and no one was seriously injured.

Churches Surround Foster Family impacted by Holiday Farm Fire

Every Child Lane County partnered with DHS to identify 13 families affected by the Holiday Farm Fire. Here's one story, showing the extravagant love coming from God's people to one family:

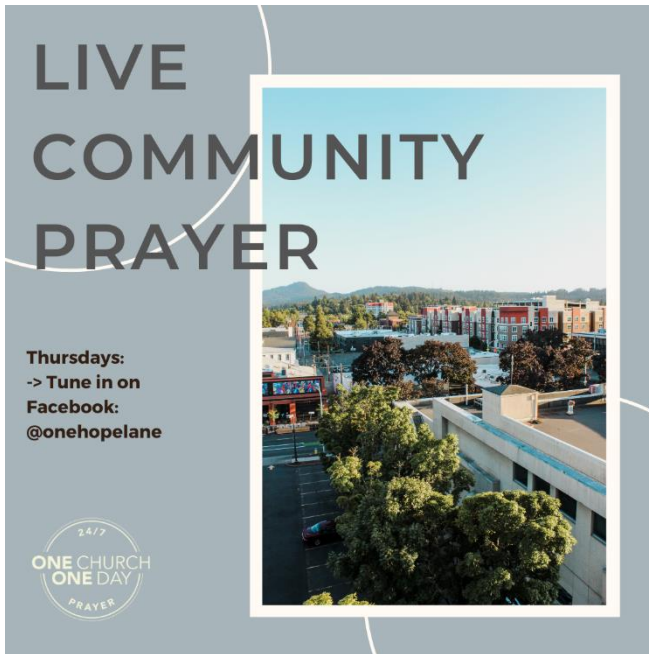

Mr. Kroh woke up to light streaming into his home in the middle of the night. He walked outside to see the fire raging. Branches and pieces of bark flew around him. It happened quickly, so he was only able to get their family safely out of the house, along with their family Bible from the 1800s.

DHS found an apartment for them, and Every Child brought over three truckloads of household items to get them started.

The next week, **friends from six churches** delivered a moving truck full of furniture, kitchen and dining supplies, bathroom supplies, bedding, clothing, and toiletries. A local pastor came with the delivery team so he could pray with them too! Another friend went through her closet to find clothes to share, since she wears the same size as the foster mom. Mrs. Kroh was overjoyed by all the cute clothes that fit her just right!
